

The Lexis+ Canada Legal News Hub ensures legal professionals are kept up to date on the latest news, trends and changes that impact the business and practice of law – intuitively accessible within their established Lexis+ workflow.

HOME TAB

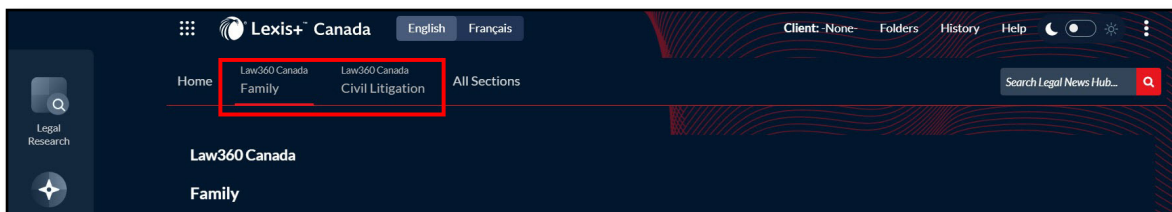

Users can search current news from Law360 Canada™ within Legal News Hub then expand their search to all news and legal news sources available on the Lexis+ Legal Research tab with a single click. To access Legal News Hub, a user simply has to click on the **Legal News Hub icon**.

One of the most important benefits of Legal News Hub is that users will be able to read the content within Lexis+ Canada, without leaving the platform. The **Home** tab provides curated content by the editorial team and the latest content published on Law360 Canada.

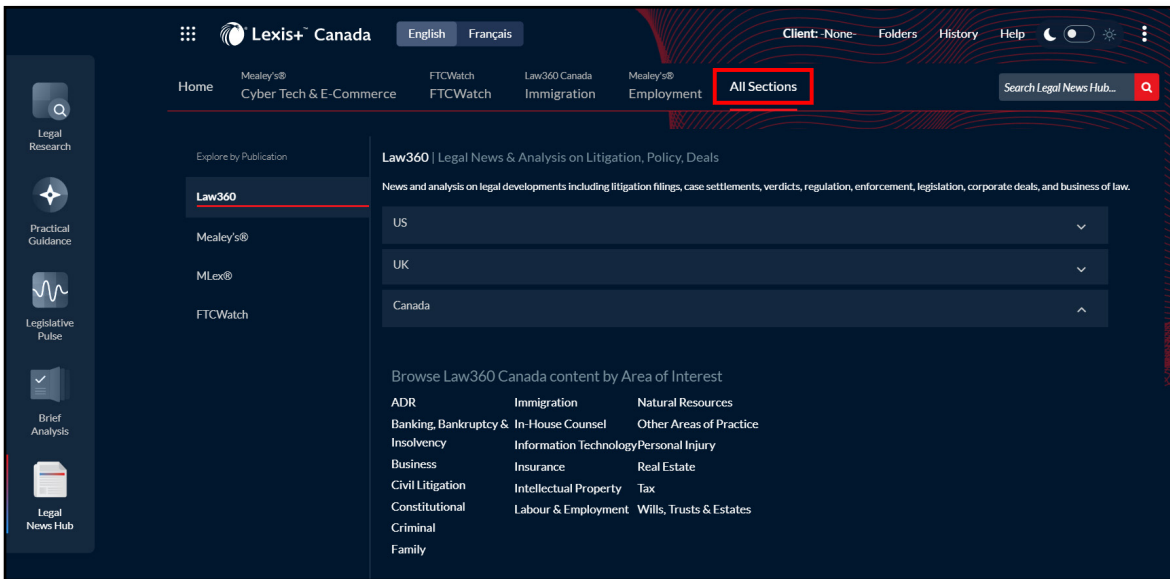

FREQUENTLY ACCESSED TABS

The Legal News Hub will recognize what a user reads most often and put these **Frequently Accessed** Tabs along the top, next to the Home tab. These are based on the last 5 accessed legal areas.

ALL SECTIONS TAB

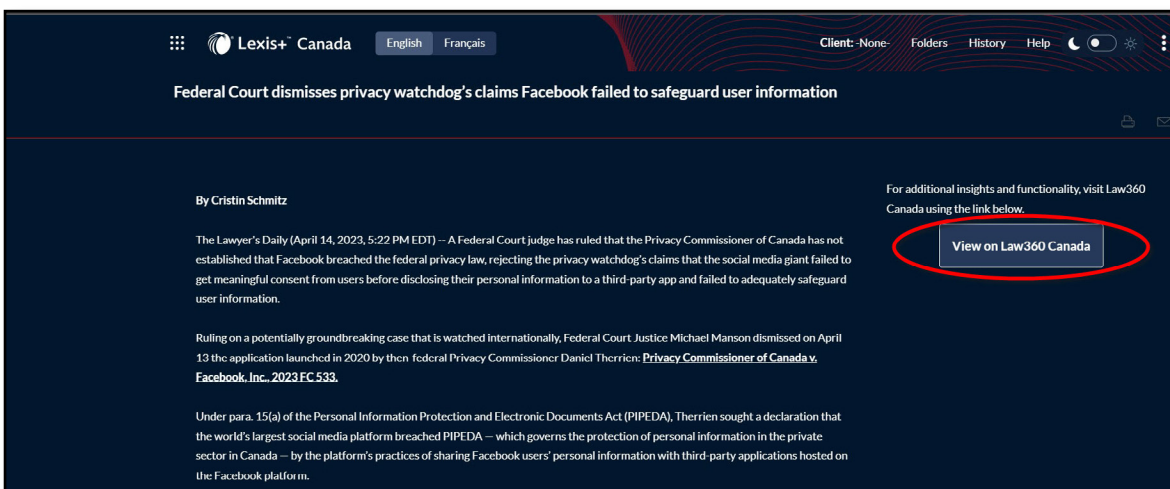

By clicking on **All Sections**, a user can browse our Law360 content by practice area, Mealey's Litigation news & analysis, MLex, our global news and analysis on regulatory risk, and US news and analysis of FTC policies and programs.

VIEW ON LAW360 CANADA

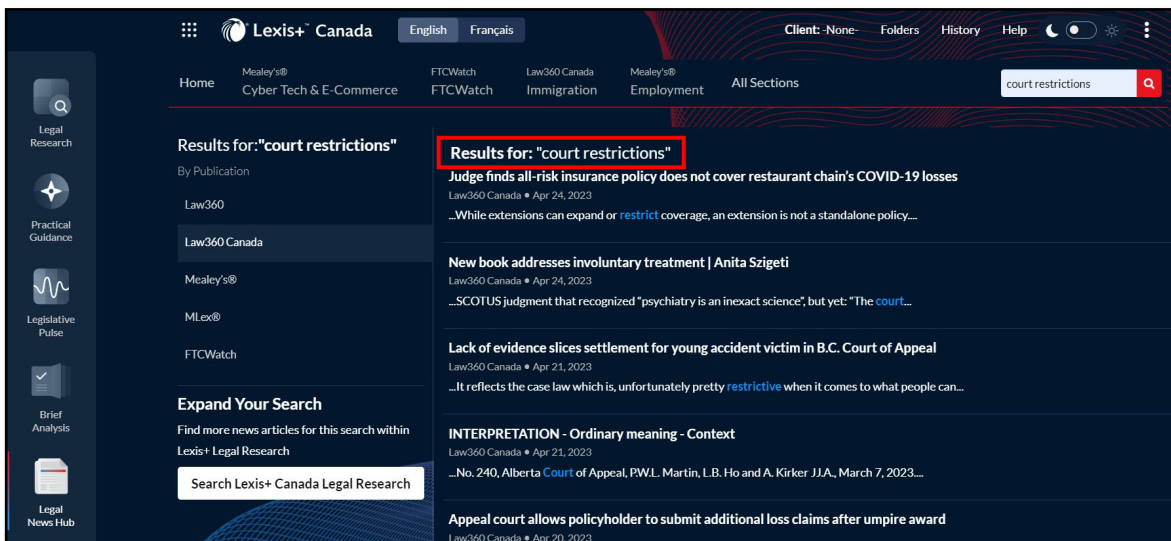

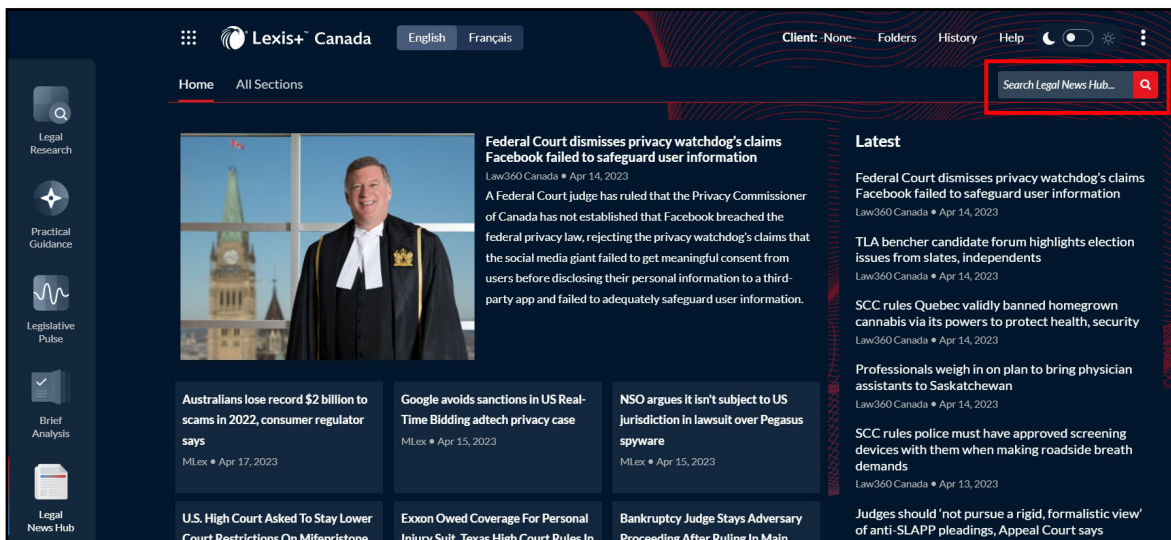

The View on **Law360 Canada** button will open the article on the Law360 Canada page, in a separate tab.

When a user selects any Law360 Canada article, the View on Law360 Canada button will appear on the right side of the chosen article. Clicking on View on Law360 Canada will open the article on the Law360 Canada site. A user must have a subscription to Law360 Canada to access the content within this platform.

SEARCH BAR

The search box can be used to run a natural language search which retrieves the most recent 20 results that match your criteria, from each publisher included on Legal News Hub.
