## Alberta Litigator's Pocket Reference, 2015/2016 Edition

Ira Nishisato & Karen Salmon

\$82 + tax | Softcover | 2015 | Annual\* | ISBN: 9780433485230

For any civil litigator and legal assistant, nothing is more important than a thorough understanding of the substantive and procedural aspects of the litigation process. Civil procedure in Alberta has been largely rewritten with the passage of the 2010 Alberta Rules of Court. While you may have taken the time to study them, a quick procedural guide is what you need to ensure compliance with the Rules.

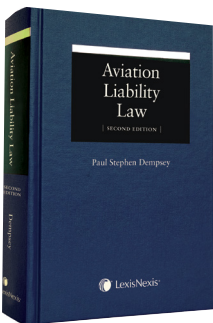

## A Practical Guide to eDiscovery in Canada

Shelby Austin & Alexie Landry

\$149 + tax | Softcover + E-Book | 2014 | ISBN: 9781554967681

An essential litigation law tool for the digital age litigant, this comprehensive guide offers an understanding of key terms and processes, from initial planning and preparation through to the data gathering, production, and post-collection stages.

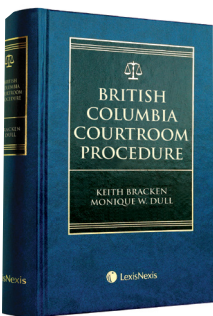

## Aviation Liability Law, 2nd Edition

Paul S. Dempsey

\$275 + tax | Hardcover | 2013 | ISBN: 9780433474104

This edition covers aviation liability law, from accidents to personal property damages to liability for death and personal injury, and loss, damage and delay of freight. It assesses the liability of airlines, air traffic control providers, governments, manufacturers and more.

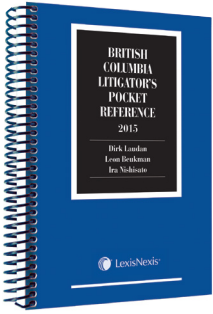

## British Columbia Courtroom Procedure

Justice Keith Bracken & Monique W. Dull

\$200 + tax | Hardcover | 2013 | ISBN: 9780433461128

For more seasoned lawyers – and even Judges – this is both an invaluable civil litigation reference source for the enormous body of tradition and unwritten rules, which are not codified or found elsewhere, and a thoughtful practical guide to the many issues that frequently arise in the courtroom.

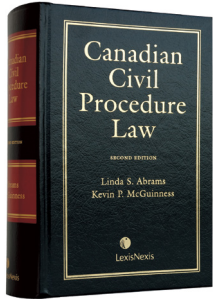

## British Columbia Litigator's Pocket Reference, 2015 Edition

Dirk Laudan, Leon Beukman & Ira Nishisato

\$80 + tax | Softcover | 2014 | Annual\* | ISBN: 9780433478591

This title provides a sequential guide through a civil law proceeding, identifying and summarizing the steps to be taken and the issues to be considered at each stage, supplementing the formal requirements of the rules of civil litigation process and procedures with practical suggestions.

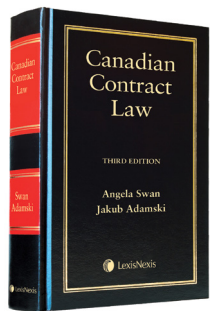

## Canadian Civil Procedure Law, 2nd Edition

Master Linda S. Abrams & Kevin P. McGuinness

\$285 + tax | Hardcover | 2010 | ISBN: 9780433464457

The rules of civil procedure govern every stage of the litigation process, so judges, lawyers and law students often need a quick and convenient means of researching them. The book is precisely that sort of research tool; providing a comprehensive review of the practice area.

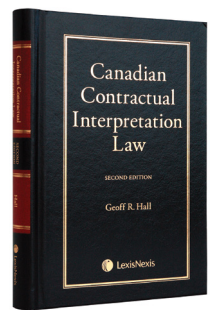

## Canadian Contract Law, 3rd Edition

Angela Swan & Jakub Adamski

\$325 + tax | Hardcover | 2012 | ISBN: 9780433472124

This civil litigation book, covering all aspect of contract law, helps lawyers advise clients, draft agreements, and recognize the pitfalls and dangers in resolving contract disputes by carefully explaining the actual approach courts have taken to solving contractual disputes.

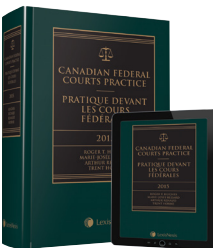

## Canadian Contractual Interpretation Law, 2nd Edition

Geoff R. Hall

\$195 + tax | Hardcover | 2012 | ISBN: 9780433465126

This authoritative text sets out the principles by which contracts are interpreted in Canadian courts. While there are books that deal with contract law, there is no other text that is focused strictly on contractual interpretation under Canadian common law.

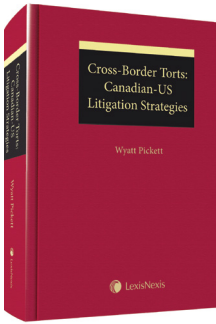

## Canadian Federal Courts Practice, 2015 Edition + E-Book / Pratique devant les Cours fédérales, édition 2015 + livre électronique

Justice Roger T. Hughes, Arthur B. Renaud, L.E. Trent Horne & The Honourable Marie-Josée Bédard

\$145 + tax | Hardcover + E-Book | 2014 | Annual\* | ISBN: 9780433478874

Designed for both English and French practitioners who appear before the Federal Courts, this portable civil litigation guide provides up-to-date, section-by-section annotation and commentary for your quick reference.

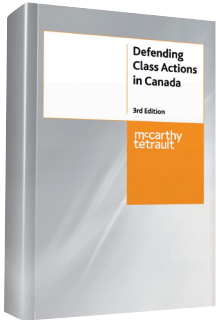

## Cross-Border Torts: Canadian-U.S. Litigation Strategies

Wyatt Pickett

\$205 + tax | Hardcover | 2013 | ISBN: 9780433458272

For Canadian litigation lawyers who are confronted with the question of whether to sue in the U.S. or in Canada, finally there is an international civil law book which offers guidance for evaluating the best forum and identifying the relevant factors.

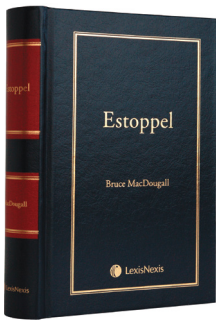

## Defending Class Actions in Canada, 3rd Edition

David I.W. Hamer

\$165 + tax | Softcover | 2011 | ISBN: 9781554961498

This book outlines the procedural machinery of Canadian class actions and the law that governs them, provides strategic analysis on managing the risks they entail, and explains the most important recent developments and trends on a national and international scale.

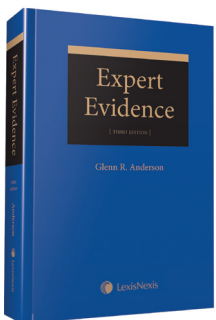

## Estoppel

Bruce MacDougall

\$245 + tax | Hardcover | 2012 | ISBN: 9780433461234

Estoppel is understood at a basic level by many lawyers, but this set of legal doctrines is highly complex and filled with such confusing terminology, such that it poses a challenge for both practitioners and scholars alike. This is the first Canadian text book that clarifies the subject matter from a Canadian legal standpoint, and deals with its complexity and subtleties in a manner that's easily understood.

## Expert Evidence, 3rd Edition

Glenn R. Anderson

\$135 + tax | Hardcover | 2014 | ISBN: 9780433470335

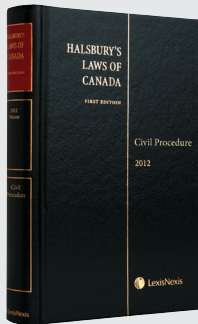

Fully updated, this new edition will ease the strain of managing expert evidence. The author describes and analyzes the law of expert evidence in Canada from both the civil and criminal law perspectives.
