

Market Standards

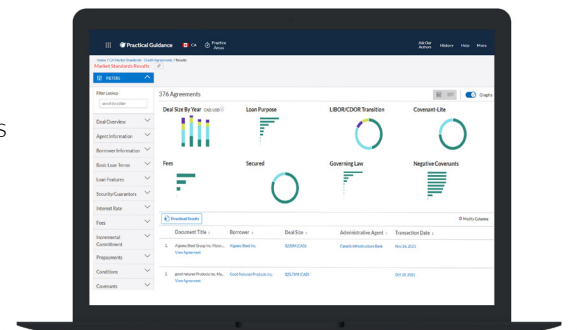

Data-Driven Practical Guidance for Finance Lawyers

Get in-depth insights when you search, compare, and analyze finance deals.

Market Standards helps lawyers quickly search, compare, and analyze publicly filed transactions. With in-depth coverage of credit agreements (90+ deal points), Market Standards provides accurate knowledge of market terms and precedents to keep lawyers at the top of their game.

Leverage the latest in financial legal technology:

- Compare deals side by side
- Identify and track market standards for individual deal points
- Easily find precedent language
- Get insights faster with data visualization

MARKET STANDARDS FROM PRACTICAL GUIDANCE OFFERS:

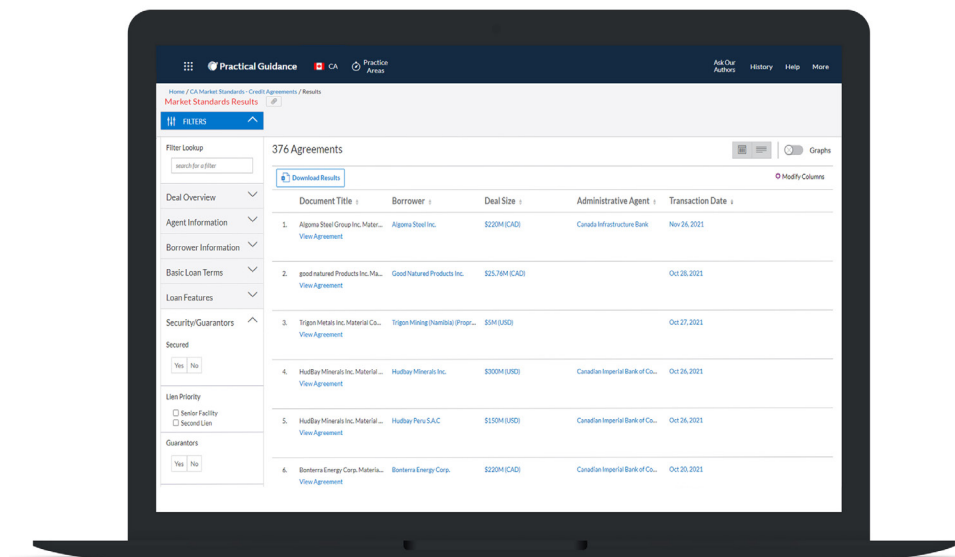

375+ AGREEMENTS

90+ DEAL POINTS

INTERACTIVE VISUALIZATIONS

Search

Powerful search capabilities: Filter your results using the most negotiated agreement provisions or a keyword search to find the documents that are relevant to you.

Intuitive deal point organization: Easily access pre-identified, granular deal points to extract on-point language for your deal.

Compare

Deal points across transactions in one view: Quickly compare provisions across multiple transactions to identify the market trends and standards relevant to your deal.

Flexible manipulation of results: Get the exact views you need with responsive data visualization.

Analyze

Interactive, “big picture” data visualizations: Gain insights into market trends with graphs at every turn.

Responsive graphs: Uncover deal point trends with data-driven analysis that updates immediately as deal point filters are added or deleted.

Search, compare and analyze publicly filed finance deals

- Gain insight into market trends on the most negotiated credit agreement provisions and drill down with detailed filters for even more specific information.
- Find on-point precedent for your transaction, filtering down to granular levels such as amend and extend provisions.
- Discover the terms counsel has agreed to across the table in past transactions.

See how you can boost your efficiency in your finance deals with a free trial of Practical Guidance.
