## Navigate content your way

Pinpoint info quickly or browse. Find what you need, when you need it – you are in control of how you find it.

1. Select a topic in your practice area for quick results.
2. Explore other search options including Content Type or Jurisdiction.
3. Access the latest market intelligence with the Market Standards tool.

# Personal Injury

Tailored for the personal injury law practitioner, with plaintiff and defence content provided by some of the most prominent experts in the field, the Personal Injury module provides invaluable guidance, information tools and other resources such as:

## Pleading and motions gallery

A relevant selection of pleadings, motions and applications filed by expert practitioners in personal injury proceedings, representing the most pertinent tasks and matters tackled by personal injury lawyers.

## Quantum of Damages

The Personal Injury module includes, Carlson Personal Injury: Quantum of Damages, the most popular damages database in Canada, containing searchable case digests from a wide cross-section of personal injury decisions.

## Medical Resources

The Attorneys' Textbook of Medicine, Attorneys' Dictionary of Medicine, Medical Tests, and Abbreviations - all of the content is written specifically to help lawyers confidently prepare and present their case by providing credible reference materials on hundreds of injuries and diseases, medical-legal definitions, prognosis, diagrams and more.
